

Triangle Sportsmen's Club

TSC is affiliated with the National Rifle Association, the Virginia State Rifle and Pistol Association, The West Virginia State Rifle and Pistol Association as well as a variety of other shooting, hunting, and archery organizations.

The club was founded in 1947 and is located approximately 2.9 miles west on US 460 from the Bluefield VA city limits. The range complex sits on about 118 acres of beautiful wooded and developed land.

Triangle strives to promote conservation and hunting through the shooting sports, as well as to provide education and safety training classes to those interested.

The complex boasts of 3 firing ranges, picnic area, archery range and archery practice area. It also hosts many and varied types of competitions, as well as providing a place to site-in, plink and practice. The club has monthly dinner and business meetings with

interesting conversation, guest speakers, and programs. Including an annual hunting awards, husband and wife, and father and child nights.

The UDY MEMORIAL RANGE:

This gun range has a covered firing line with four benches and target backers ranging from 25 to 100 yards. There is also a bench outside the covered line with 25 & 50 yard backers for offhand pistol practice.

THE ARCHERY RANGE:

This range features a 28 target setup wandering through the trees on a sloping hillside. It provides excellent bow hunting practice, as well as some of the best archery matches in South West Virginia and Southwest Virginia. This area of TSC also includes a practice area with targets from 10 to 70 yards, a broad head pit, and platforms to simulate shots from hunting stands.

THE LOWER RANGE:

This range hosts the shooting competitions. It sports 2 covered firing lines, one 40 feet long with 4 benches, the other 120 feet long with 6 benches. Target backers are provided from 25 yards to 200 meters, along with gongs and animal cutouts at various ranges. This range also provides a grass mound for high power rifle and targets stands and berms for all the popular silhouette distances.

THE ACTION PISTOL RANGE:

This range was designed and built to serve the competition pistol shooters. The range has 3 sets of falling plates and 2 sets of bowling pin targets in one bay and another bay with a combination moving target and turning target range.
