FALL 2007 NEWSLETTER

FROM THE FIRING LINE

By: Darell Rolen, Vice-President

It's almost the end of the 2007 Match Season. On Sunday, September 16 we had 10 shooters turn out for the last IDPA Match of the season. It has been a good year for competitors. The has been a good turnout for all the matches held at TSC this year.

I would like to take this opportunity to thank everyone that came out to IDPA, IPSC, PPC, Action Pistol, Cowboy, the Military Match and even the Steel Match. I would also like to thank the following people that have helped me this year with IDPA and PPC: Wesley Wellman for all his help in running and tearing down after the matches, President Mike Cole for his help in running and tearing down, Tony Graham, Steve Hamm for all his help, Denny Cole, Steve Tabor and most important, my wife Grace for putting up with all the time that I spent at the range. Without these people it would be very difficult to run a match. Thanks Guys for all your help!!!

Don't forget that we have one more handgun match, the Nite Match to be held on October 27th. The Saturday night before Halloween. Costumes are encouraged. Dress up as your favorite Hero or Villain.

This will be a Steel Match that promises to be "very interesting." If you have not been to a match this year, this will be the last opportunity until next year.

Beginning in November, I will start planning the 2008 Match Schedule. Be sure to give me your Shooting Discipline's schedule for 2008 so that it can be published and sent out to all members.

With the Fall Hunting season about to begin, Please remember to be safe and be sure of your target before you shoot.

SHOOT MORE AND SHOOT MORE OFTEN

A WORD FROM THE SECRETARY

By Wayne L. Blevins

As the fall hunting season approaches remember now is the time to visit TSC to be sure your favorite firearm is sighted in and functioning properly. Remember if you have obtained a new firearm please take the time to go to the range and familiarize yourself with the operation and functioning of your new firearm. Our favorite hunting field is not the place to learn the operation of a new firearm.

Please be advised that all future archery matches have been cancelled and that all archery equipment will be inventoried in the near future. If any member is interested in chairing and overseeing archery events please contact President Mike Cole.

A reminder that there will be a Night Steel Match on Oct. 27, 2007. Costumes are welcome.

For those interested in attending a NRA Basic Hand Gun safety class our own E. C. Browning will be teaching one. The classroom date is Oct. 25 at the First Century Bank learning center 525 Federal St. Bluefield WV. The range instruction will be on Oct. 27 at the Bluefield Police Range behind Mitchell Stadium. Mr. Browning may be reached at 327-8625 or by e-mail ecbrown@frontiernet.net

A reminder to all members that The Commonwealth of Virginia will have state and local elections in November. Please be sure to do your civic duty and vote.

Attached is a renewal membership form as dues are due by Dec. 31, 2007. This form may also be obtained by visiting our website www.triangleonline.org.
