FALL 2008 NEWSLETTER

FROM OUR PRESIDENT STEVE HAMM

With elections coming, I hope everyone will get out and cast their vote this year. I can surely see where many may say there is no candidate worth backing, but not to vote is the same as voting for the worst choice. I simply plan on voting as a gun owner, for the candidates that best support my 2nd amendment rights.

The improvements to the range continue. Plans for the shooting benches on the upper range have been obtained (Thanks to Tracy French) and we will try to begin construction in the near future. Also note that the upper range is our test bed for the new chicken wire target backers.

The fall hunting season is fast approaching, so please, everyone be extra careful when a field. Take time to a child hunting if possible.

The competition schedule is drawing to a close. Come on out and give one of our matches a try. Everyone is always welcome.
