### **Spring 2006 Issue**

#### **The Bull's-eye**

By: President George Shively

Well, spring is almost here. I hope you all had a safe and enjoyable holiday season. We accomplished a lot last year. This year we are planning on further improvements to our range, among them are fixing the Rams at the 200 Meter line so we can leave them up year round, re-doing the Gongs so they stay up longer, and fixing up the New Pistol Range with walkways and barricade pads before the next State and Regional Action Pistol matches this fall.

Also, if anyone has any suggestions on how to improve our facility please let us know. Those of us who live in Tazewell County have received the New County Tax Appraisal. The club's appraisal increased substantially as so did all the residences of Tazewell County.

At the next meeting, Dick Forester, the attorney that is helping Triangle with this issue, will be there. We will go over what we have done to reduce our taxes so far and what our next step is. If you have any questions regarding this issue, you may want to attend our meeting at the Mayflower Restaurant on the 2nd Wednesday in March (6:00pm). I hope I see you there.

The Robin's are back and the days are getting longer - Spring is just around the bend and so are the things that come with Spring. Soon it won't be long before the trees and flowers are blooming, gardens will be planted, grass will be cut and the "Shooting" season will begin.

The new match schedule has been mailed and the shooting season should have something for everyone. So, try one of the matches or, more than one. Our bow range is one of the best and offers matches through out the year. And, if shotguns are your thing, try the trap and skeet range, you will be glad you did!

Have a good and safe 2006.

#### **Clean Up Report**

By: Bob Hedrick

I would like to Thank everyone that came out on Saturday, March 4, 2006. Bill Rose, Robert Hall, Mike Cole, Tim Rolan, Dwayne Nuckols, Tony Graham, Travis Hayton, Kevin Angstadt,

George Shively, Butch Shrader and Darell Rolen. The Clean Up went very well. All the trash cans were dumped, new backboards were constructed at the 100 yard range, the frames and plates were painted on the plate range and the framework on the mover range was painted. New poppers were also constructed. The old wood pile in front of the welding shed was removed and cleaned up. The Archery range was cleaned up and new paper target installed.

The 3-D match season will be starting soon. We would like to invite everyone to come out and participate. New 3-D animals have been ordered and will in before the first match. Once again we will have rotating matches with 2 other clubs. Our matches' will held the second weekend of each month on Saturday and Sunday.

### **Six Gunnin'**

Cowboy Action season is getting underway on March 12, 2006 at TSC. This year will be bigger and better than ever before. New scenarios, new challenges and more fun for everyone. Come and be a part of the Old West.

Thanks to everyone that came out to help with the annual Cleanup weekend. Without your help it would not be possible to get the property ready for the 2006 shooting season. Please remember that we want everyone to enjoy their visit to the TSC property, but we want you to be safe. Please watch out for other shooters and keep the muzzle of your firearms pointed down range at all times. Also remember to check your match schedule before going to the range to be sure that there is not a match being held on your favorite range. This year there will 2 weekends that will require the closing of both the upper and lower ranges due to 3-D Archery and Cowboy Action being held on the same weekend.

Remember to shoot more and to shoot more often.
