SPRING 2009 NEWSLETTER

[A WORD FROM THE SECRETARY](#)

By Wayne L. Blevins

Below is the information for the **The All Champion Competition.**

Triangle Sportsmen Club All around Club Championship:

High over will be given in Mens and Ladies.

Any shooter wishing to participate in this event should inform the match director or first match that you shoot in. If you do not meet match qualification below no points will be given.

Be a member in good standing of Triangle Sportsmens Club.

There will be a \$5.00 entry fee for this competition.

To qualify you must shoot in at least one match of the 4 main disciplines.

IPSC - IDPA - Action Pistol - Cowboy

Plus 2 specialty matches: Shooting more, best 2 will be scored.

Military Match - Backup Gun - Steel Match - Night Match - 2 X .22 Rim fire Match

If you shoot in a discipline and you shoot more that one match throughout the year your best finish of that type match will be scored only.

Scoring will only be calculated at end of shooting season last match in November. Anyone at that time that has met the match qualifications will be scored.

If 10 shooters qualify then your best finish in a discipline will be worth that number times 10% if 20 then all will be worth 5% and so on.

Most competition shooters should have guns to compete in the required disciplines except for maybe cowboy. Anyone that does not normally shoot this event that would like to compete can contact Dwayne Nuckols (276-322-1651 work) and arrangements can be made for use of guns and ammo for just the cost of ammo replacement.

Also, Triangle will be sponsoring the Big Buck Competition this fall. Details regarding this will be forthcoming later this year.

Saturday, March 28, 2009, will be a cleanup date at Triangle. Bob Hedrick will be the chairperson for this event and would encourage all members to come out and volunteer to help improve the appearance of our property.

E. C. Browning who is an NRA certified instructor will be teaching **Handgun Safety** beginning in April 2009. Anyone interested in taking this class may contact E. C. at (304) 327-8625 or by e-mail ecbrown@frontiernet.net

Please remember to be very civic minded and pay close attention to any new proposed laws or regulations infringing upon our Second Amendment rights. Know who your elected officials are and be ready to contact them immediately.
